

Baunreagh Ride 11th January 2015

An early start for Endurance Ireland this year. Baunreagh kicked off the season for 2015. It was a cold one, but what a great day out.

We had a 9.6K loop of breath-taking mountain views and beautiful forest tracks.

First out on course were Gerorge on Sprit, Laura on Joe their two very handsome Connemara's they were joined Sabina on Murphy for the Trail Ride. Not too far behind were Madison Flaherty on Molly with Tommy Dollard on Bobbie, Madison lead the way, her mind already focused on the championships and she completed 19.2K.

Yvonne Croke took Diamond out as steward and ride photographer, taking some great shots of the riders and spectacular views.

Not deterred by the cold Evelyn Moore wrapped up extremely well and riding with Terry Moore on Galeshill Boffin and Galeshill Sabre, who were looking fit and ready to go. They completed the first loop in 55 mins the quickest loop of the day and went around again finishing in style.

It was great to see Rosemary Ryan at the ride and back on her two feet and hopefully we will see her out riding very soon.

Bobbie Ovington took Hanna out with Colm Doran riding Fancy Pants they completed the loop in a very respectable time.

Thank you to Siobhan Ovington for the delicious hot soup and rolls and sandwiches, always gratefully received.

Fantastic start to the new season with great banter had by all. Thanks to everyone who braved the cold and made another successful ride for Endurance Ireland and a special thanks to my son James Moore who completed all the paperwork.
