

Wolfhill Ride 20th March 2016

Terri Moore took the reins for Wolfhill on Sunday 20th of March 23 on a day which was very kind to riders with a not too cold breeze and sunshine, it was great to see the numbers reflecting the good weather.

First to arrive at the venue were four Gales Hill riders with Terri and daughter Evelyn along side Anne Kinsella and a blast from the past April O'Raw, April has been working away with horses and took the opportunity of a day off to get out and ride with us again. Terri, Anne and April all did the 13km while Evelyn completed the 26km on Boston.

Next on the scene were Shauna Knowles and her friend Alison Dowling, Alison was riding with us for the first time, both took on the trail ride and finished with two happy ponies.

Next to arrive were Pat Cooney with daughter Niamh and cousin Cody Duffy. Pat and Niamh took in two loops at 26km with their very fit mounts Ringo and Gypsy. Cody and her pony Sparky took on the first loop. Trish Fisher from Carlow on her first day out with us also took on the 13km with ease and her horse came bouncing back in.

Mille Pennefeather and Rosalind Jellett on their horses Guy and Sky added a super splash of color with their two very nicely marked horses. Mille and Rosalind were also out with us for their first time and again their horses tipped around the course ready for more.

Susanne and Natasha O'Rourke added another splash of colour with Apache and Bronte both doing the 26km with ease as always. Diana and Niamh O'Huid made up the third mother and daughter combo of the day and along side Sheaffe Monteith who rode with us last year the three ladies finished the track with smiles all round which was great to see.

Patrick Byrne and Bobbie Ovington who are definitely no strangers to Endurance Ireland went at a relaxed pace on the 13km route before heading into the competitive season on Amber and Hanna. Loreto McDonnell on the lovely Oscar moved quickly across the course finishing the 13km in the hour, this combo really do love taking on the tracks.

Last but by no means least to head out on track was Sinead Behan who has ridden with us before on her ex racehorse Joker, local to Wolfhill Louise Kelly on Willow and Stradbally Hall ladies Lara Brennan on Kala and Regina Quinn on Tia Maria.

Everybody was delighted with how the day went and rosettes and Easter eggs were there for everybody as they finished. We would like to thank very much Fr.Dunne for use of the venue, to Teresa Moore for tidying up the church car park and leaving it as we got it and Yvonne for carrying out the ground duties for the day.
